

## AAUW NYS Invites You To “Free the Girls”

**This program Supports Girls Who've Been Rescued Out of Sex Slavery**

### Why Bras?

Second-hand clothing is a profitable market in many countries around the world. Bras are unusually sought after items. Re-selling the bras provides opportunities for these trafficked women to work with other women. Most of these women were sold into prostitution as children, some as young as 8-10 years old. Since their lives were stolen from them they missed out on going to school and getting an education. Re-selling bras allows the women to work as their school schedule permits.
