measurable **impact on the community** (10 points)

lessons learned for future programs/ projects/ events (10 points)

Overall Goal-To highlight the similarities in goals and objectives of our organizations

Branch Goal-To make a connection with these community based groups to foster better relationships, to share advocacy and leadership in reducing prejudice, and to help us seek a diverse membership.

Specific Action Steps-

1. Desire to interact with other groups from strategic planning
2. Solicited names of organizations from members
3. Contacted the groups
4. Develped questions for them to answer
5. Scheduled length for their responses
6. Develop a visibility plan including flyers to members, libraries, newspapers.(See attached)
7. Measurable impact on the community will be in understanding these diverse organizations
8. Lessons learned for future programs is that we want to continue to reach out to other community groups that have the similar values and utilize the newly established relationships to futher address local, state and national concerns that converge with ours..
