

## AAUW-NYS Public Policy

These Priorities provide direction for branches when undertaking legislative action at state and local levels.

Biennial priorities for action are chosen according to the criteria of viability, critical need, strong member support, and potential for distinctive AAUW contribution. These NYS Public Policy Action Priorities do not preclude members or branches from acting on any issues clearly stated in the AAUW Public Policy Program. No member shall use the name of AAUW to oppose its policies or program.
