Select the one program out of your branch's entire year of programming that made the most impact on your members and tell us why it was so valuable. For example: Did it get them thinking in new directions? Did it spark discussions? Lead to the development of a new Action Group? Encourage members to discover more about the topic? Tell us how powerful it was!

You'll need more space than this! Please limit your application as a whole to a **total of four pages** (not counting this cover sheet), including documentation (if any).

Things to consider:

- How many branch members and guests attended?
- Did the program increase community awareness of AAUW, perhaps through significant outside publicity or by generating partnerships with other organizations?
- Did membership increase as a result? By how many members?
- Did this powerful program reinforce the AAUW mission of "advancing equity for women and girls through advocacy, education, philanthropy, and research"?
- Did the topic result from the work of auxiliary branch programs such as Action Groups or Interest Groups?
- Did it inspire branch members to take action?
