

AAUW NYS
PRESIDENT'S SPONTANEOUS PROGRAM AWARD
APPLICATION

This award is given to branches that used the "Swiss cheese" approach in programming. Branches utilizing this method did not plan every meeting before the AAUW year began. As a result, they were able to schedule a program which fit the needs of a particular meeting based on information that was available after the rest of the planning for the year was completed. To apply, complete this form describing the program the branch was able to implement, then send it to Nancy Mion, AAUW NYS President-220 Paulanna Ave, Bayport, NY 11705 or myown220@aol.com
Deadline is March 15, 2006. Branch programs that take place before July 2006 are eligible.

Branch _____

Date of Program _____

Title of Program _____

Brief Description of the Program

Person Submitting the Application _____

Address _____

e-mail/phone _____
