Dear _____:

On behalf of the _____ branch of AAUW, welcome to the American Association of University Women.

Congratulations on receiving your free membership in AAUW. Now that you've had a chance to read the Member Guide to AAUW, and visit the Member Center of the AAUW website (www.aauw.org), I would like to invite you to join the AAUW _____ Branch.

Our branch is one of 1,300 branches throughout the United States dedicated to promoting AAUW's goals of education and equity for all women and girls. Local branches carry out many programs, from voter education to working with local schools and organizations to raising money for the AAUW Educational Foundation and the AAUW Legal Advocacy Fund. And best of all, these activities are taking place right here in our community.

At the same time, we enjoy the camaraderie of other college-educated women and take advantage of the leadership development and networking opportunities available through membership in a local branch.

As you are a recent college or university graduate, I know there are many demands on your time. We all are very busy -- that's one of the reasons we're an active and interesting group--but I have always found AAUW to be a rewarding and important part of my life.

In the next few weeks I will call to invite you to our next branch meeting as my guest. I look forward to the opportunity to tell you about our branch, and to welcome you personally to AAUW.

Sincerely,
