

Hot Topics For Women of All Ages

Ask your branch members, members of a college class or family and friends to gauge the "temperature" of the following topics. What may be "hot" for one branch or group of participants may be only "warm" or "cool" for another. Add topics you think of to the list. (Ex; Number top 5 hot topics) Use the results as topics for programs/projects/events in the branch and on campus.
